

2024 Hope Council Nominees

Lori Snoxell

My name is Lori Snoxell. Our family started attending Hope in 2002, a decision that has significantly shaped my walk with Jesus over the years. My husband, Roger, and I live on the family farm near Lyalta, where we raised our two children, Jen and Jon (Taylor). I am a teacher by training and worked as a music specialist and a home-schooling supervisor, retiring from teaching in June 2021. It is now my great joy to volunteer in my son's grade 4 classroom once a week. I've completed several terms on Hope's Council, worked with Alpha and Vantage Point groups, and served on the Welcome team, Worship teams, and most recently, two terms on the Canada Covenant Leadership Team. At the beginning of 2024 God clearly spoke the word, "Awareness". His invitation to me this year is to live each day in greater awareness of His presence, His voice, and His work in me and among His people.

Nikki Stordy

My name is Nikki Stordy and I have attended Hope for almost 20 years. I was raised in the Lutheran church since I was an infant but in my adult years, this church felt more like home to me. My husband and I are both chiropractors, and we love helping people improve their health and wellness through a natural approach. I do believe God called me to be a chiropractor and I am grateful for the opportunity to partner with people in their health journey. We have 2 daughters, Malaya and Amara, who keep us busy taking them to horseback riding and gymnastics. In my free time, I enjoy traveling, being in nature and especially love camping with friends & family in the summer.

Amy Wegner

Wife of one. Mother of five + daughter and sons-in-law. Nan of six. I am a sewist, both professionally and as a hobbyist, and I enjoy expressing myself through written and dramatic word. I dabble in American Sign Language and volunteer with the Calgary Association of the Deaf. You may know me from my work in Hope's audio/visual booth, as a Council member, or through my occasional preaching. 28 years ago, my husband Glenn and I were part of the small group that developed into Hope's church plant. We believed God had a vision for this body to be Kingdom builders. I believe He still does today. I have seen the Lord's faithful hand sustain, redeem, and revive the body of Hope Church throughout the years. I believe being a part of Council means that I first seek God daily and allow His Spirit to transform me, then together we as a Council discern and respond to the movement of the Spirit of God. It is with growing humility and anticipation that I look forward to being part of a team that stewards Hope's resources and Spiritual gifts to lead this church body into a life of deeper discipleship as we simultaneously go into all the world with the good news of Jesus Christ our Lord to the praise of His glory.

William Zatkovich

I was born in the small town of Princeton B.C. and attended the only school in town for all twelve grades. Upon graduation, I attended university in Vancouver, B.C. During summer breaks at university, I started working for construction companies building streets, highways and railroads. I am now retired but construction became my lifetime vocation. In the early 1970's while visiting my parents in Princeton, I was blessed to meet my wife Sharon.

In December 2023, we reached our 50th wedding anniversary. Sharon and I have two married daughters and 5 grandchildren. Our oldest daughter lives in Pennsylvania USA with her husband & 3 children (2 girls, 1 boy). Our youngest daughter lives in Strathmore with her husband & 2 sons.

My construction work has resulted in my family living in various northern communities throughout B.C., Alberta and Yellowknife NWT. However, prior to moving to Strathmore in 2022, we resided in the Calgary area since 2006 and were members of Centre Street Church.
